

Shinohara.

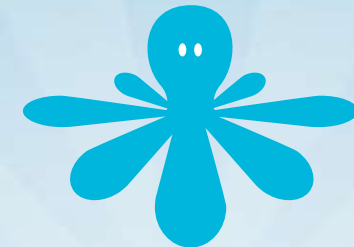

- a) Incredibly painful Japanese fighting technique.
- b) The most penalized player in the history of Irish soccer.
- c) State-of-the-art four-color press used by Blue Octopus.

Technology makes the difference at Blue Octopus Printing.

A printer is only as good as two things – its people and its capabilities. Fortunately, at Blue Octopus, we have both – press staff with more than 60 years combined press and prepress experience, and some of the best and most current printing technology at their disposal, including:

- A state-of-the-art Shinohara press
- Printing up to 15,000 sheets per hour
- CIP3 prepress processing for truer, more vivid colors
- Large format (banner size) printing
- Wide variety of binding systems
- Accepting Mac and Windows files
- Full in-house mailing services
